a fund within DMS Investment Funds ICVC III (the "Company")  
Waystone Management (UK) Limited is the Authorised Corporate Director of the Fund.

**GBP Retail Accumulation Class (ISIN: GB00B99R1674)**

## Objective and Investment Policy

### Objective

To provide a balance of income and capital growth over the medium to long term.

Capital in the Fund is at risk and there is no guarantee that the investment objective will be achieved over this or any other time period.

### Investment Policy

The Fund will seek to achieve its investment objective by gaining exposure generally to money market instruments, fixed interest securities, cash and near cash, with some exposure to global equities.

The Fund may also invest directly or indirectly in other transferable securities and collective investment schemes which may have exposure to alternatives such as commodities, loans, hedge funds, private equity and property.

The Fund may make use of derivatives for efficient portfolio management.

The Fund is balanced between fixed income and equities, with a minimum weight in government bonds in order to provide ballast to the portfolio. This is alongside credit, equities and selectively, some alternative assets.

### Other features of the Fund:

The Fund is actively managed. The Portfolio Manager uses its expertise to select investments for the Fund and has the discretion to invest without the need to adhere to a particular benchmark.

The Fund can invest in other funds (including those managed by the Manager, the Portfolio Manager and its associates).

The Fund can invest across different geographic areas and industry sectors without limitation.

You can buy and sell shares in the Fund on each business day.

Any income generated from the Fund is reinvested and reflected in the value of your investment.

The Fund is managed without reference to any benchmark and UK Consumer Price Index + 3% is used for performance comparison purposes only.

Recommendation: This Fund may not be suitable for investors who plan to withdraw their money within 5 years. More information on the management of this portfolio can be found at [www.waystone.com](http://www.waystone.com).

## Risk and Reward Profile

This indicator shows how much the Fund has risen and fallen in the past, and therefore how much the Fund's returns have varied. It is a measure of the Fund's volatility.

The higher a Fund's past volatility, the higher its position on the scale and the greater the risk that investors may have experienced losses as well as gains.

The Fund has been classed as 4 because its volatility has been measured as average.

This indicator is based on historical data and may not be a reliable indication of the future risk profile of the Fund.

The risk and reward profile shown is not guaranteed to remain the same and may change over time.

The lowest number on the scale does not mean that the Fund is risk-free. The value and income from the Fund's assets may go down as well as up. This will cause the value of your investment to fall as well as rise.

- The value of investments in equities and bonds may be affected adversely by political, economic or company news as well as changes in company earnings and interest rates.
- The Fund invests in fixed interest securities, there is a risk that issuers of the Bonds may not be able to repay the money they have borrowed or the interest that is due.
- Where the Fund makes investments in assets that are not denominated in GBP, changes in exchange rates will affect the value of your investment.
- There is a risk of a loss to the Fund due to system failures, inadequate controls and human error.

For more information about the Fund's risks, please see the Risk Factors section of the prospectus which is available at [www.waystone.com](http://www.waystone.com).

## Charges for this Fund

The charges you pay are used to cover the costs of running the Fund, including marketing and distribution. These charges reduce the potential growth of your investment.
